

Clemency Campaign - Quilt Project

INSTRUCTIONS

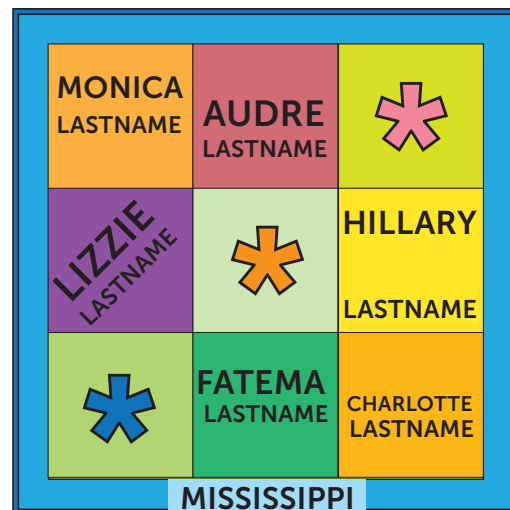

If you are interested in helping to make quilt patches please contact us at info@thecouncil.us and indicate your state and that you are volunteering for the quilt. We will contact you with specific instructions regarding your patch.

Squares

1. Each **square of the quilt will be 8"x 8"** and needs to display the woman's **first and last name**. Squares can be made out of any material, including crocheted.

State Quilt

1. Be sure to put the **name of the state** somewhere on the state quilt.
2. Everything on the quilt, other than the squares -- background, borders etc should be **made of blue material**.
3. It's also ok to put **extra 8"x8"** **decorative patches** (they don't have to be blue)

Example state quilt construction

Deadlines

The Clemency Quilt is in an ongoing project with rolling deadlines.

Phase One --Now-July 15

We will be making a patch for each woman seeking clemency.

Phase Two --July 15-July 22

We will sew the patches together to make the state quilts. We will also continue to make patches as new women join the campaign.
